NUMBER LINE DECODER

A MESSAGE IS GIVEN IN CODE AT THE BOTTOM OF THE PAGE. TO DECODE THE MESSAGE, FOLLOW THESE DIRECTIONS:

Each fraction in the code stands for a point on one of the number lines below. Find the correct

point for any fraction in the code. Then write the letter at that point above the fraction.

KEEP WORKING AND YOU WILL SPELL OUT THE MESSAGE. GOOD LUCK!

MUSIC TO YOUR EARS $\sharp\sharp$

DIRECTIONS:

Each letter below is followed by a fraction. Some of them are in lowest terms. Cross out each fraction in lowest terms AND ITS LETTER. Several letters will be left in each line. Write these letters, reading across from left to right, in the space under each row of letters and fractions. YOU WILL SPELL OUT THE WORDS OF A TERRIFIC NEW SONG (make up your own tune!)
